## Highlighted Events

Event	Date	Country	City	Count	Summary
1	11/4/2021	Canada	Windsor	1	Windsor Police Service (WPS) officers responded to a minivan assembly plant in Windsor in response to an explosion inside the storage facility of the plant. No injuries were reported, and the extent of damage in the area was not clear. The WPS Explosive Disposal Unit (EDU), K-9 Unit, Forensic Identification Unit, and Arson Unit responded to assist. EDU technicians conducted a post-blast analysis of the scene and found a suspicious package that had detonated. Authorities believe the incident was an intentional act. The investigation is ongoing.
2	11/5/2021	United States	Muncie	3	Muncie Police Department officers discovered three IEDs while responding to the Muncie, Indiana residence of a 28-year-old man for a reported suspicious package. The Delaware County Sheriff's Department Bomb Squad and federal authorities responded to assist. Bomb squad technicians examined the devices—described as manufactured by the suspect—performed render safe procedures, and removed the devices from the scene. The suspect was arrested and charged with three counts of possession of a destructive device.

Highlighted Events					
Event	Date	Country	City	Count	Summary
1	11/6/2021	Somalia	Mogadishu	1	At least two people were killed and several others were injured in Garasbaaley District after an IED targeted a vehicle carrying a local government official in Mogadishu, Somalia. Al-Shabaab claimed responsibility for the attack.
2	11/10/2021	Kenya	Mandera	2	Two IEDs, one directional and one victim operated, one battery, powder in a jerry can, detonators, and wire accessories were recovered in Kenya. The IEDs were not armed, an indication that al-Shabaab operatives were disrupted by over watch patrol while in the process of emplacing. The IED components were transported to BP27 Camp for further analysis.

## Highlighted Events

Event	Date	Country	City	Count	Summary
1	11/6/2021	Iraq	Baghdad	3	Unidentified militants launched three explosive-laden unmanned aircraft systems (UASs) from an area near the Republic Bridge against the home of the Prime Minister (PM) in Baghdad's Green Zone in an apparent assassination attempt. Two of the three UASs were shot down by security forces while the third crashed into the residence and detonated. The PM was not injured in the attack, but six bodyguards were injured. The residence and one SUV also sustained damage from the attack, and unexploded ordnance was discovered on the roof of the residence. No group has claimed responsibility for the attack, though authorities believe that Iranian-backed militias using Iranian-made UASs were responsible. The investigation is ongoing.
2	11/9/2021	Yemen	Khormakser	1	Two people were killed after an IED attached to a vehicle detonated in Khormakser, Aden, Yemen.

## Highlighted Events

Event	Date	Country	City	Count	Summary
1	11/8/2021	India	Moreh	243	Troops from the Assam Rifles discovered a cache of 243 IEDs hidden in boxes and concealed in dense foliage while on patrol near the village of Moreh along the border with Myanmar. The total weight of the explosives was 250 kg [~551 lb.]. Of the 243 IEDs found, 197 weighed 250 to 500 grams [~0.5 lb. to 1.1 lb.], 33 weighed 3 kg [~6.6 lb.], 4 weighed 4 kg [~8.8 lb.], and 9 weighed 5 kg [~11 lb.]. Photos of the devices showed some of the IEDs were made from blue PVC capped on both ends with wire protruding from one end. The troops also discovered bomb-making material described as detonating cord and two 12-volt batteries. The Assam Rifles transferred the explosives to the Moreh police station for further investigation. No further details on the explosives were released. Authorities believe that the devices may have been intended for terrorist attacks during elections in the Manipur district in the coming year. The investigation is ongoing.
